Safeguarding and promoting the welfare of children

At King Edward VI King's Norton School for Boys, the welfare and safeguarding of our boys is paramount. We foster an ethos of listening to students' needs and concerns. The pastoral system with form tutors and Heads of Year is key to promoting the welfare of students and developing their safe behaviours.

At King Edward VI King's Norton School for Boys, we follow the guidance for 'Keeping Children Safe in Education', that no child should suffer harm of any form, either at home or at school. We also believe that safeguarding and promoting the welfare of children is everyone's responsibility.

Miss T Boyce is our Safeguarding Lead. If you have any concerns about a child, you should report it to a Head of Year or one of our DSLs immediately. Our other DSL's are:

Dr S McIntosh

Mr R Hanson

Mr J Butcher

Mr D Clayton

The Designated Safeguarding Leads will act in the best interests of the child and at times will seek guidance and involvement from outside agencies to safeguard and support the welfare of the child.

There is a designated member of the governing body who oversees the work of the Designated Safeguarding Leads. The governor is Mr S Bartlett.
